

## **REMARKS**

Applicants' representative thanks the Examiner for the telephone interview on the morning of September 26, 2005. The amendments and remarks herein are made in accordance with our conversation.

### ***Status of the Claims***

Upon entry of these remarks, claims 97-100, 119-127 and 130-153 will be pending in this application. Claim 153 has been added.

Minor amendments to the wording of claims 97 and 100 have been made.

New claim 153 is a claim that mirrors claim 100 but is directed to SEQ ID NO:2 instead of SEQ ID NO:327. This claim is presented to "reinstate" previously cancelled claim 101.

More specifically, previous claim 101 mirrored claim 100 as first presented with the exception that it was directed to SEQ ID NO:2 instead of SEQ ID NO:327. In Applicants response filed December 14, 2004, Applicants inadvertantly cancelled claim 101. Applicants also made amendments to claim 100 during prosecution. In presenting claim 153 now, Applicants have made it mirror the language of claim 101 as currently pending. Applicants submit no new matter has been added and respectfully request entry of this amendment.
